

Secret Ear System Hardware Requirements

Latest update on 05.02.2026

Computer

Operating System	Windows 11 (64 bit) Windows Server is not supported Virtual machines are not supported
Processor	Due to the automated calculations that run in the background we recommend: Intel Core i9 or AMD Ryzen 9 with at least 6 cores
Memory (RAM)	16 GB or more
Graphics Card	Any from NVIDIA, AMD or Intel (DirectX 12 compatible)
Display Resolution	Full HD (1920 x 1080 pixels) or more
Disk	Conventional or SSD

3D Mouse

We recommend the use of a 3D mouse, e.g. the 3Dconnexion SpaceMouse Compact:

You can buy the device from most online stores that specialize in electronic components.
